

# Children's Week 2022

## Take Action for Children

### **Legislative**

Co-sponsor legislation that will make a difference in the lives of children

Work with leadership to advance bills during the week that benefit children

Take to the floor to speak on the realities children experience and the need for Congress to take action

Continue to advocate for the child provisions to be included in the reconciliation package

### **Communication**

Post on social media with the hashtags #ChildrensWeek2022 and #ItsAKidsIssue

Add a *Children's* tab to your website to highlight the ways you are working for children

Host a press conference on the state of kids and the policy that will address their most urgent needs

### **Public Engagement**

Invite children's groups to meet during the week

Commit to meeting with children and youth to hear directly from the young people you represent
