Snacks will be served

LOCATION

SVC 202

U.S. Capitol Visitor Center

Sponsored by Senator Chuck Schumer

Although many of H.R. 1's Medicaid provisions targeted childless adults and haven't fully taken effect, new data show they are already cutting into children's coverage and access to health care. Join us July 22nd to hear a panel of deeply knowledgeable child health policy experts identify the wide-ranging impacts on children and families who rely on Medicaid and CHIP.

PANELISTS INCLUDE:

- Suma Setty, MPH, The Center for Law and Social Policy
- Elisabeth Wright Burak, MPP, MSW, Georgetown University Center for Children and Families
- Mary-Beth Malcarney, JD, MPH, Families USA
- Lanre Falusi, MD, MEd, FAAP, American Academy of Pediatrics

with welcoming remarks by Bruce Lesley, President, First Focus on Children
